RE: Application of Memphis Networx, LLC – Docket 99-00909

After reviewing Memphis Networx's responses to the data requests issued by the Staff on May 4, 2000, considering the Pre-Hearing Officer's May 22, 2000 Order and reviewing the subsequent testimony filed, the Staff has determined that it will not be necessary for us to intervene, file testimony or otherwise participate in the aforementioned proceeding as a party of record.

The Staff still wishes to ask clarification questions of the witnesses during the hearing as agreed to by the parties.
